

Week Five: February 5, 2011 – February 11, 2011

The minibot!

The prototype robot!!

Wes and Naz on the Lathe!

Wow the season is almost over! Just a little over a week and we are done building!

The Chairman's team has been feverously working on completing the essay and video.

The Build Team's goal is to have the robot completed as soon as possible so that we can start driver selection!

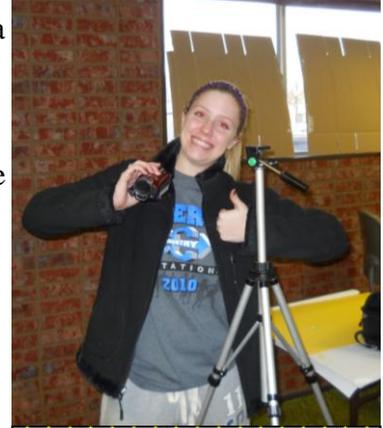

They are ready for the late nights and early mornings that will accompany such a daring task.

Also, the website team has been working really hard to get the website up to par before the submission is due on February 17th.

Animation team is just as busy as the rest. They have completed the animation two days early and are now waiting for it to render before they submit it.

The Public Relations team is also wrapping up. They are working on getting everything ready for the Greater Kansas City Regional! There will be lots of surprises and fun little goodies.

One more week guys and we are done!

Lindsey working on Chairman's video!

Both Lukes are working on the wrist.

David and Kyle on the Bridgeport!

Upcoming

Don't forget that we have the canned food drive going on!! Bring a canned food with you every time that you come up to the build shop. Then on Thursday, February 24th we will go up to Lee's Summit Social Services and drop off all of our cans! So, please bring your cans and don't forget because for every can we bring a family is helped!
